

## Professional Profile Website

For my homepage, I would like to include the following elements and sections:

### 1. Hero Section (Top of Homepage):

- A prominent professional photo.
- My name clearly displayed:
  - **English: Imam Dr. Shamsan Al-Jabi**
  - **Arabic: الدكتور. شمسان الجابي**

### Short Bio (displayed under the photo):

Imam Dr. Shamsan Al-Jabi

A Yemeni-American Imam and classically trained Islamic scholar with deep specialization in both Qur'anic sciences and traditional Islamic studies. He holds Ijazaat in six canonical recitations and multiple advanced degrees across diverse disciplines. Ranked second nationwide in the international scientific high-school track, he earned a prestigious U.S. medical-school scholarship for academic excellence. He bridges sacred scholarship and modern academia through visionary leadership and community service.
